*I have received ~~clap~~ for postal order
 to which many thanks.
 In daily Chronicle today excellent
 account, quite different to
 any other, of the wedding gifts.
 I hear Dredg, Hester, Cecil
 & Indranger was married
 & that Montague, Antelope, & Dredg
 & Wellington were asked. The most
 famous limits the Dredg are the most
 likely to go! and Montague's words if they
 could, Prince of Wales has been very
 over tired after India. I go & put on
 Tuesday or Wednesday at 4.5 or 5.30.
